I am thrilled to be a part of the 2022 Cal Animals Emerging Leaders Program, as I am so thankful to get the opportunity to learn from our fellow animal welfare colleagues.

I have been lucky to be a part of the Woods Team since 2013. As the Customer Service Manager at Woods Humane Society in San Luis Obispo, I oversee and lead an amazing team that strives to ensure customer satisfaction, assist our community with all public inquiries, and set up every cat and dog for success so that they can go to their forever family. I truly love and celebrate the human-animal bond. It brings me so much joy to see people adopt a new family member.

When I am free and not working, I spend most of my time at home with my husband, our Siamese cat, Hydro, and our German Pinscher dog, Mira. We love reading, watching TV, snuggling on the couch, and planting in our garden. Living on the central coast next to the beach we frequently explore all our local hiking trails and love being outside.
