CERTIFICATE SUBMISSION PROCESS

This signed form and a list of all CEU's (use this tracker or similar) must be submitted to CalAnimals no later than 21 days after the expiration of each three-year period. The preferred method is to submit your application, Certificate of Compliance, and renewal fee, prior to the expiration of your certification period (which is the last day of the month in which your certification was conferred, three years later). You do not need to send the CEU certificates.

Failure to file the certificate of compliance with CalAnimals no later than 21 days after the expiration of a three-year certification period may result in a lapse of the CACO's certification status and shall automatically convert to *inactive* CACO status unless it is redeemed.
